

Shiatsu Practitioner - Position Available

@

The Ballarat Regional Integrated Cancer Centre (BRICC)

Wellness Centre

Expressions of interest are sought for this position to provide Shiatsu to people during or post their oncology treatments. The Wellness Centre provides a broad range of programs to support patients including Shiatsu, Oncology Massage, Yoga, Mindfulness and Meditation, Support Groups and individual support. Patients are able to receive individual treatments and attend group programs for free in support of their wellness and overall care.

This position enables Shiatsu to be practiced within an established and valued integrated healthcare environment.

It is a paid position for the practitioner, for 4 hours per week on a Thursday afternoon (or a Wednesday Morning).
Mentoring and support will be available for your ease of care.
